

What is Cc: Two is One?

A buy one, get one free collection! For every pair of Cc: ophthalmic frames you buy, you will receive a free Cc: Rx-able sunglass frame.

How does Cc: Two is One increases your profit potential?

When an eye care professional sells any Cc: ophthalmic frame to their patient, the patient then gets to select any Cc: sunglass frame at no additional charge. This give the eye care professional an opportunity to offer the patient a pair of prescription lenses for the sunglass frame and make an additional sale.

Additional benefits of the Cc: Two is One collection:

- Exclusive to independent Eye Care Practices
- Increased profit potential
- Maximized value for your patients
- Enhance your patients overall experience
- FREE shipping on initial order
- No minimum buy-in or stocking levels required
- FREE Display with qualifying order
- Unlimited One-Year Warranty
- For one low price, you get both a standard ophthalmic frame and an Rx-able sunglass frame
- Perfect for managed care insurance programs that only cover the cost the cost of a single frame per year
